## Be a part of the museum for generations to come!

Honor a current or retired member of the department.

## Your Legacy will not be forgotten.

There is limited space in our museum. We are engraving Brick Tiles with the name of sworn or civilian member of the department. This permanent memory wall will be displayed in the entry of the new museum. Each name will hold a special place in the history of the Maryland State Police. Proceeds from this project are earmarked for the MSPAA Museum.
