

## History and Mission of the Maryland Department of State Police

The Maryland Department of State Police was organized in 1921 and charged with reducing crime and highway tragedies through statewide patrol and relentless enforcement of criminal and traffic laws. This directive has not changed and remains the focus of what we do each day. We are proud of our tradition of excellence in serving and protecting the people of Maryland.

Our mission is to be a statewide force for a safer Maryland, and our Troopers and civilian support staff are dedicated to fulfilling that mission while upholding our core values of integrity, fairness, and service.
